

E-File...the proven method that works

Arizona Department of Revenue continues to encourage individuals to e-File their income tax forms. E-File is the fastest and most accurate way to file your income taxes.

Why should you e-File?

- Software undergoes testing to ensure compliance with current tax law.
- Provides the maximum credits, deductions and exemptions allowed by law.
- Math errors are virtually eliminated.
- You will receive confirmation that your return was received.
- You can expect your refund in as little as 5 days with direct deposit.
- If you owe, you can file now and defer your electronic payment until April 17, 2006.

Remember, it is your responsibility to select an approved program and review the final return before filing.

How can you e-File?

There are several options for you to choose from. Click on the link next to each option for more information including qualifications, pricing and more.
